Joy of Being - Introduction

Joy of being came to me after many years of being a Reiki Master and working with energy. It was a gift from Source and Spirit and after many hours of channelling the system I was then guided to pass the gift on to others.

It comes from Source and brings to you the Joy of Being One with the Universe and Life. It is full of Joy and Love from source to you.

Joy of Being Attunement Procedure

Prepare yourself and connect with Source and Angels. Connect with the persons higher self ask for permission to pass the connection and give thanks for this.

Set your intention for the highest level of guidance and give thanks to Source and Angels for making this happen.

I ask that (Name) will be attuned to the Joy of Being Attunement at (Time) on (Date) in his or her time zone. The strongest energy they can handle.

Let the energy flow as long as needed.
